## Tools and materials:

- Pointed and sharp scissors or X-Acto knife, white or color copy paper, barbecue bamboo stick.

## Instructions:

- Print this pattern on white or any color copy paper;
- Follow the dotted lines and folding instructions to fold your paper;
- Cut directly from the pattern with sharp scissors;
- Carefully unfold your finished cutting;
- Fold on the red dash lines and make creases, then use a bamboo stick to roll up the folds;
- Enjoy this intricate, beautiful, and difficult Snowflake cutting!

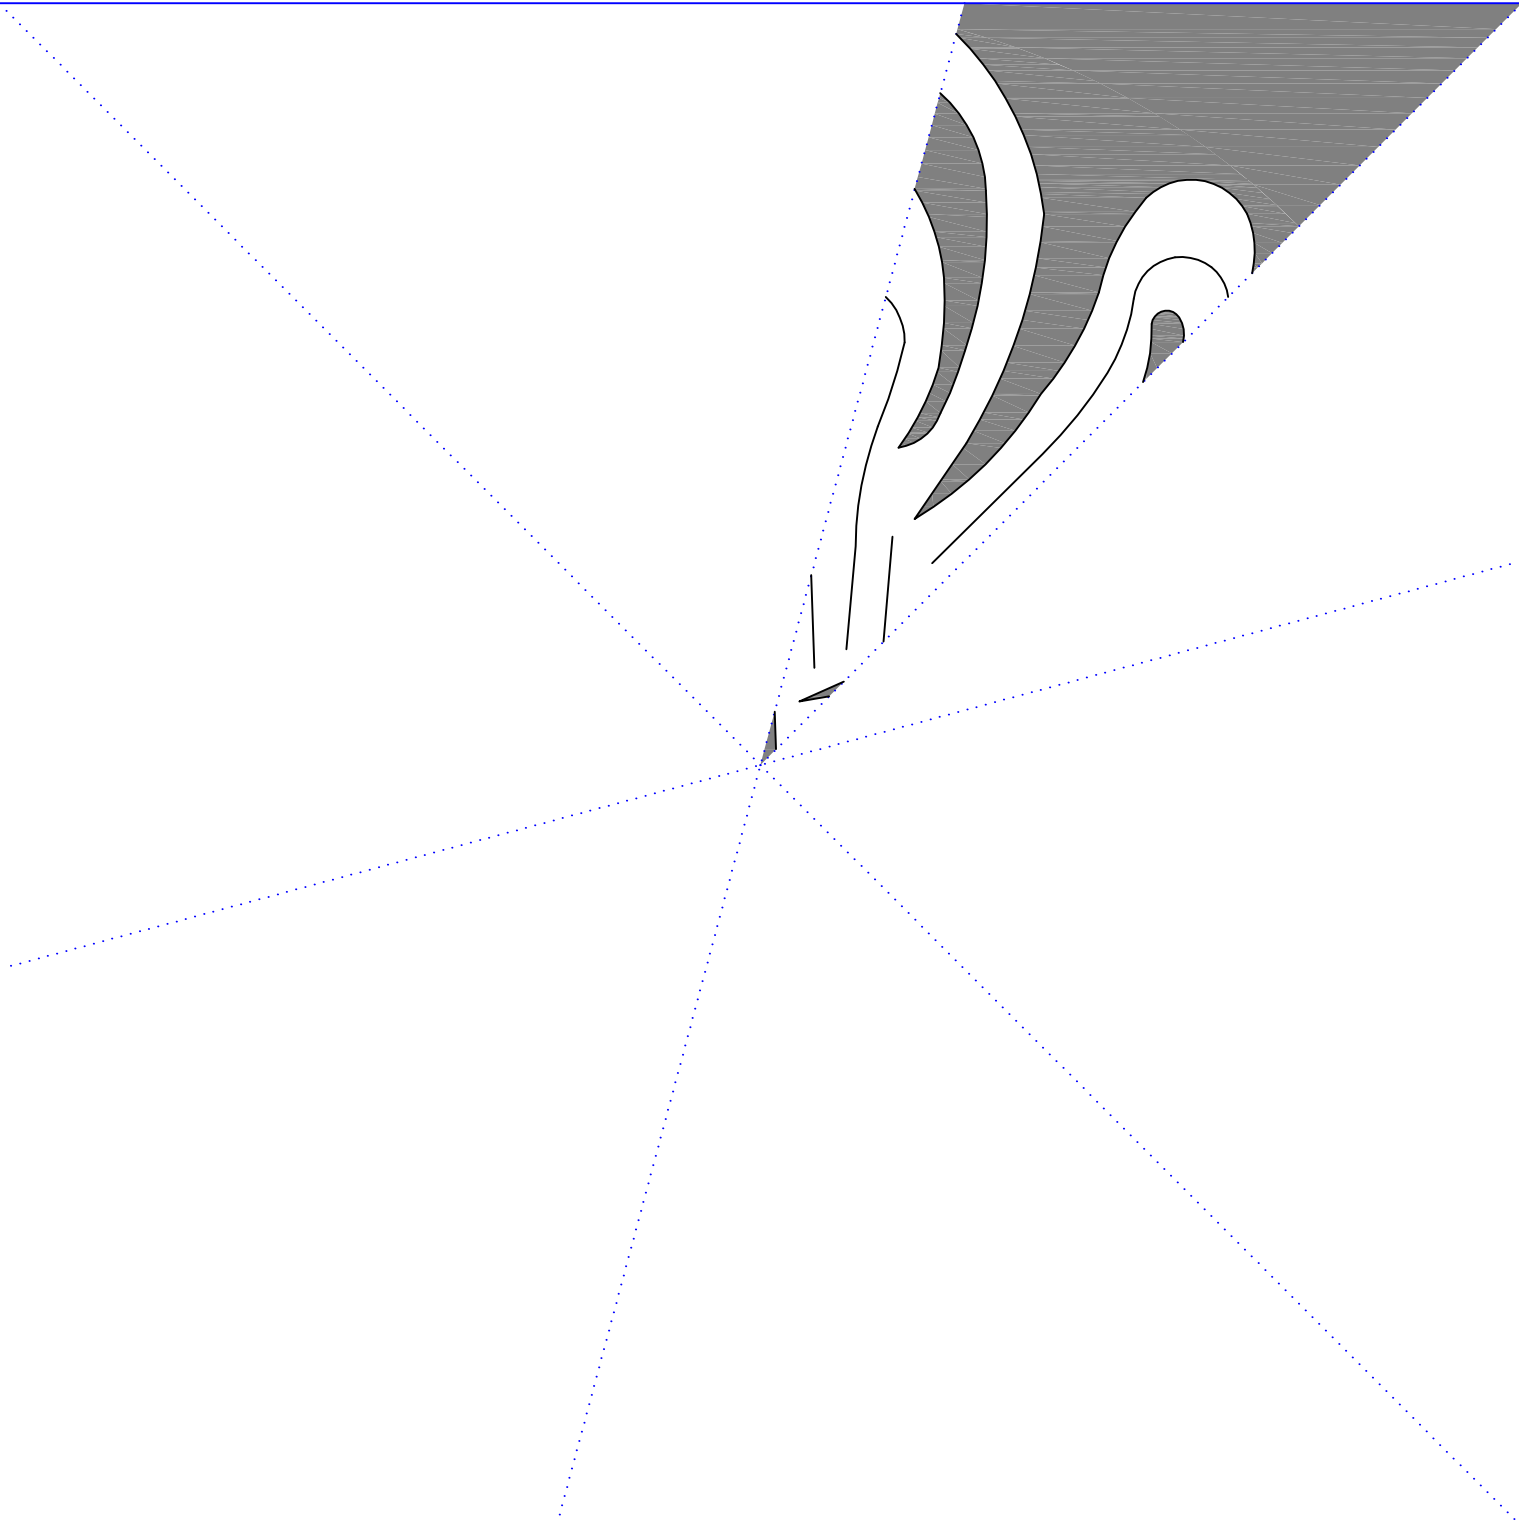

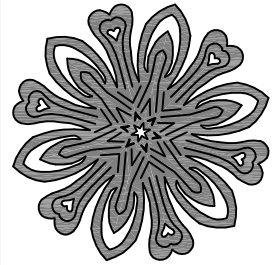

## 6-sided paper folding instructions:

Note: Cut out the gray parts.

8"x8" square paper pattern
