Mandala Style Paper Cut Pattern

Three Layers Cutting Pattern

Mandala-1

PERSONAL USE

8"x8" (20cm x 20cm)
Square paper pattern

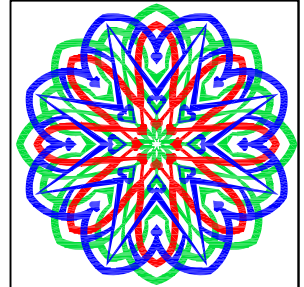

Tools and materials:

- Pointed and sharp knife, white, red or other color copy paper

Instructions:

1. Pick up any three color paper as your choice. Paper should be at least 8" x 8" (20cm x 20cm) square.
2. Print this pattern on white or any color copy paper;
3. Cut directly from the pattern with pointed knife;
4. Follow the lines to cut all three layers, lay them on the background as the 3,2,1. Layer 3 is the bottom layer, Layer 1 is the top layer, then mount them together;
5. Enjoy this intricate, beautiful, and difficult Snowflake cutting!

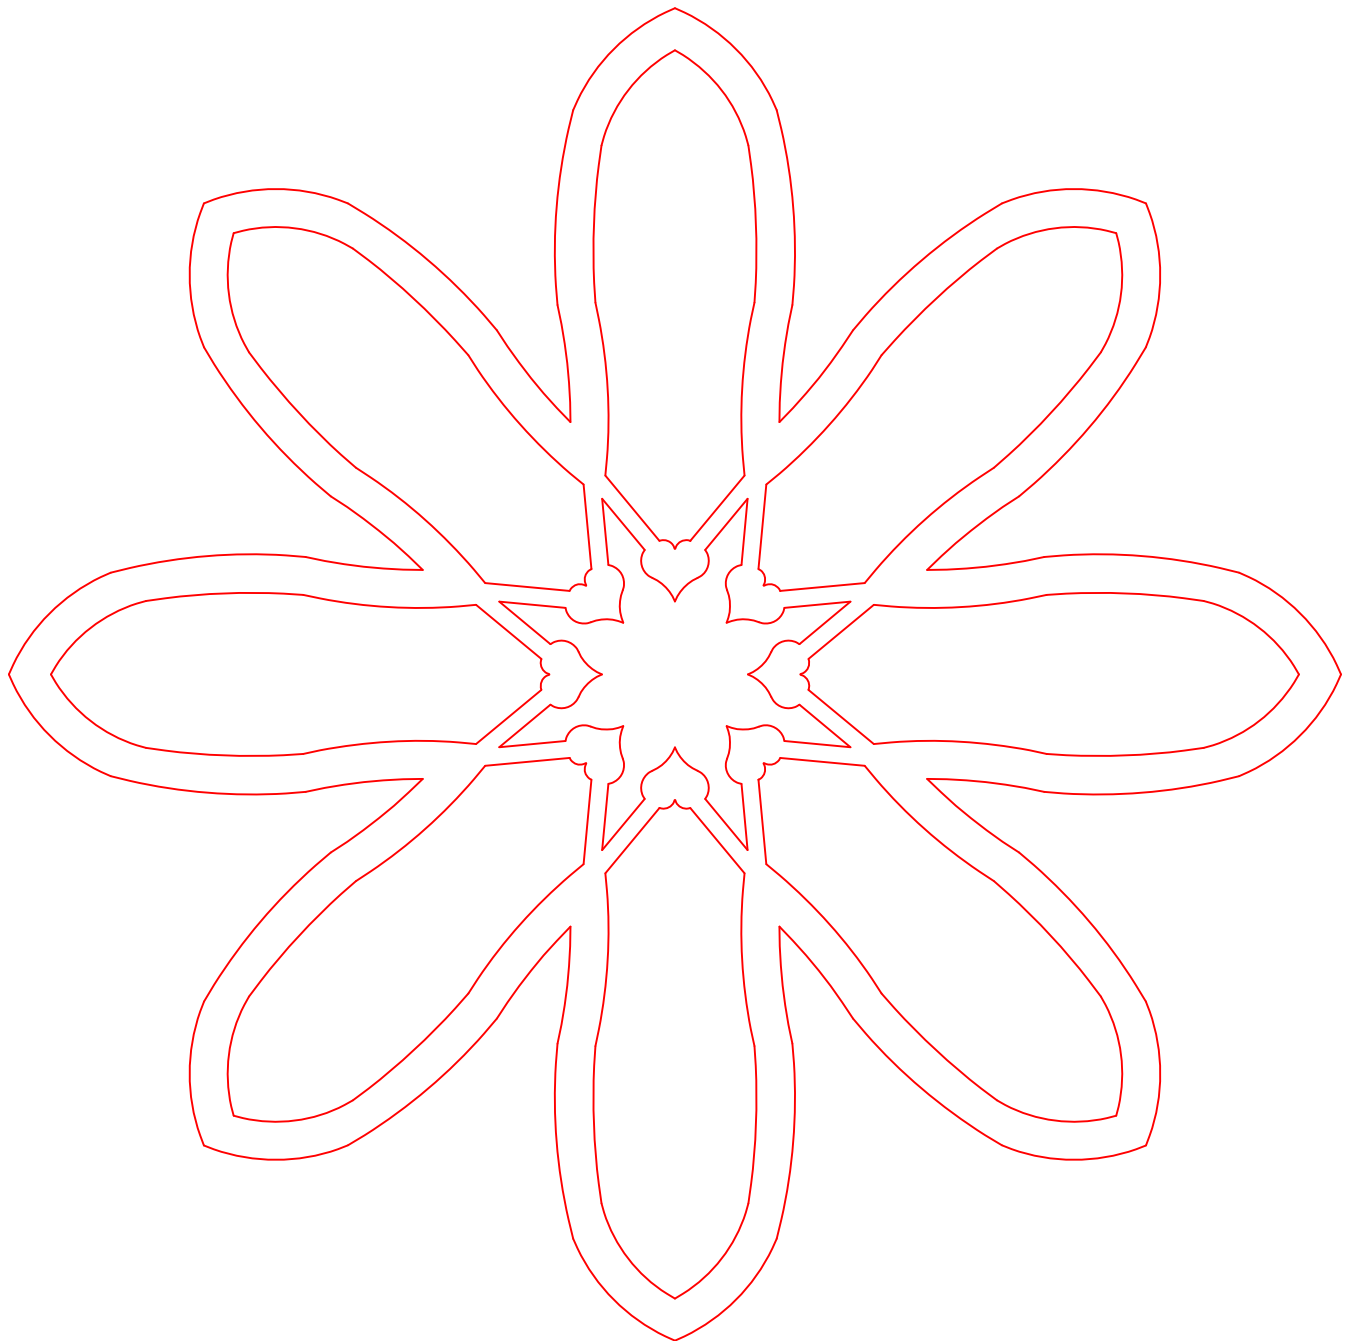

This pattern/template is one of my original designs and is for PERSONAL use only. This means you can print it and cut it as many times as you like, but cannot sell the design or any product made by using this design.
